

New Pictures!

Contributed by Jenny
Tuesday, 03 February 2009

Thanks so much to Caffeinemachine for sharing some new pictures of cardinals and her pretty kitty Quinn with us! Her pictures can be seen in the cardinal gallery and in the Kittie Witties gallery. There are also some pictures from a weekend trip to Gatlinburg, TN. We saw some beautiful mountains, some noisy crows, a pileated woodpecker and an industrious chipmunk! These can be seen in the Traveling Birdie pictures gallery and the small woodland creatures gallery!
